

### **III. János Rigó Memorial Tournament - GM, IM tournament**

#### **Balaton Summer - Open tournament**

**Balatonlelle, 12.06-20.06.2024 (Hungary)**

The tournament was created in memory of János Rigó, to pay tribute to one of the best known tournament organizers, who for decades organized his summer tournament on the shores of Lake Balaton, which gave many domestic and foreign players the opportunity to play in high quality chess tournaments under excellent conditions. We would like to continue this tradition and carry it forward.

In the framework of the event open tournament and GM, IM round robin tournaments will be held. Open tournament will be played according to the Swiss system in 9 rounds.

Round robin tournaments will be played with 10 participants, which give the opportunity to achieve GM and IM norms.
